**ANGELA CLARKE**  
**Certification Manager**  
**[On behalf of the Certification Panel]**

**NOTE 1:** Where there are Non Conformances detailed above with the status “Awaiting Operator Action”, please send your response in writing to [info@irishoa.ie](mailto:info@irishoa.ie) or by post to the IOA office at your earliest convenience.

**NOTE 2:** As an Irish Organic Association Licencee, you have the right to appeal any decision made by the Certification Panel – see Appendix 1 of the Organic Food and Farming Standards in Ireland as amended or contact the IOA office.

**NOTE 3:** If you wish to extend the scope of your current licence (i.e. add new products/processes) you must notify the IOA Certification Manager immediately. This is to ensure that your licence is maintained up to date and covers all aspects of your operation. Refer to section 1.04.79 of the Organic Food and Farming Standards in Ireland as amended.
